describes the circumstances and events which led to the 138 women law enforcement officers who died in the line of duty the identity of their perpetrator s and the deposition of the case with a biography and photo of each officer and their descendants author dr william wilbanks carefully researched each case and unveiled the mystery of unsolved deaths

first published in 1996 this work covers all the major sectors of policing in the united states political events such as the terrorist attacks of september 11 2001 have created new policing needs while affecting public opinion about law enforcement this third edition of the encyclopedia examines the theoretical and practical aspects of law enforcement discussing past and present practices

a full text reporter of decisions rendered by federal and state courts throughout the united states on federal and state labor problems with case table and topical index

this report is an exploratory study of the employment of off duty police officers for police duties in the private sector focuses on the major organizational and management issues involved in letting officers be privately employed uniformed and with full police powers study data came from 13 selected county and municipal police departments from several areas of the country secondary employment is an accepted practice in all the police departments some departments permit private employers to rent police vehicles and other police services as well the departments have similar rules and practices concerning secondary employment but each department has evolved its own method of organizing and managing this employment the major difference among departments is whether their organization conforms to an officer contract or a department contract system of secondary employment the departments all forbid officers from owning a private security firm or brokering the employment of fellow officers policy and management issues involved in secondary employment include legal liability conflict of interest misconduct and misuse of authority the handling of complaints and off duty court attendance public police have an advantage over private police in both their greater formal authority and their greater informal powers the officer contract system requires

less organization and administration than does the department contract system however municipalities with 100 000 or more residents seem to be shifting toward the department contract system which appears to be a more rational way to allocate staff when private demand for police service exceeds the supply

noble s thesis is that african american inmates transport black rage into the prison subculture which significantly affects prison violence rates he finds previous studies superficial and raises the bar for future examinations by proposing a sensitive and taboo theory to explain the strong racial patterns observed in prison victimization noble s work supports the importation theory of the inmate subculture proposed by irwin and cressey he builds on their theory by advocating for the inclusion of race and other cultural factors concerning the inmate and staff populations into predicative models he concludes that prisons with greater racial disparities between the inmate and staff populations experience higher staff assault rates
